Family and Friends of Eagle Beach.

We stroll around the paths that wind through the resort reflecting upon another summer of memories etched in our hearts. We stand listening to the leaves rustle in the wind as they fall gently to the ground. The loons have left, the eagles soar over the lake looking for fish, and the waters are still. The resort lies in wait for the families to return once again. Just as the seasons are cyclical, it is our hope that you will return as well to your second home at Eagle Beach.

Eagle Beach promises to deliver a family experience that is unforgettable. For over 31 years, we have provided countless memories, filled scrapbooks, and make lasting friendships. We are in the process of adding Frisbee golf for family fun, elements for the decathlon, a one minute frenzy contest, and ping pong and volleyball tournaments. There are new additions to the cabins as well including tile, furniture, and landscaping updates.

Eagle Beach provides adventures for all ages, complete with date night, activities for youth and teens, a talent show, dessert contest, and much more. Whether your desire is to relax and watch the sunset, soak up some rays at the pool, or find the laughter in your soul you once contained as child...then Eagle Beach is the place for you.

We believe the Eagle Beach experience is best summed up by our resort guest Ryan Weber. "The best thing about leaving Eagle Beach? It's only 358 days until we return!"

Despite an ever-changing economy, fast paced society, and many things unknown...one thing remains undeniable. When life gets out of reach...come to Eagle Beach. We await your return and look forward to adding you to our summer family.

From our home to yours,
The Coumbe Family
